

Are you interested in working at PMC?

We are consistently looking for new team players!!

Send your resume to humanresources@pmcdm.com or search for us on [Indeed.com](https://www.indeed.com)

PMC currently employs a growing roster of hard-working and dedicated employees including but not limited to:

Mail Production Machine Operators

We can teach you! Or, join our team with your lettershop experience.

Mail Machine Mechanics

Our team of mechanics perform job set-ups, troubleshoot problems, and maintain our array of Inserting, Bindery, Inkjet, Stamping, Affixing, and other production equipment.

Digital Print/Press Operators

Our print technicians work as a team on an array of print and personalizing equipment.

Estimators

If you have experience pricing offset print, digital print, and lettershop production we'd like to talk to you!

Account Executives

We operate in a business to business account management environment in which our representatives develop service relationships with our customers.

Warehouse Staff

We utilize material handlers, stand-up forklift stock pickers, and a computerized management system.
